§ 369.8 Requests for exemptions from filing.

(a) *In General.* This section governs requests for exemptions from filing of reports required under § 369.1.

(b) *Criteria.* The Federal Motor Carrier Safety Administration (FMCSA) may grant a request upon a proper showing that the exemption is necessary to preserve confidential business information that is not otherwise publicly available. Information is considered to be confidential when:

(1) Disclosure of the information in the carrier's report would be likely to cause substantial harm to the carrier's competitive position; or

(2) Disclosure of information in the report would be likely to impair protectable government interests.

(c) *Contents of a request.* The contents of a request for an exemption from filing must contain, at a minimum, the contents that are required for a request for an exemption from public release contained in § 369.9(c). A carrier's request may include any other grounds as to why the request should be granted.

(d) *When requests are due.* The timing of a request for an exemption from filing is the same as the timing for a request for an exemption from public release contained in § 369.9(d). The table below summarizes report and request due dates.
